JOB APPLIED FOR

AI Engineer - BackEnd Developer

WORK EXPERIENCE

September 2025 – Present

Technical Experience - Computer Science Laboratory Technician

ITE V. Bachelet - Ferrara (FE)

As a Laboratory Technician, I supported computer science lab activities by assisting teachers during practical sessions and ensuring the correct setup and maintenance of hardware and software environments, while providing technical support to students.

November 2025 – March 2026

Internship - Project Perturbed Beam Walking

CTNSC@UniFe - Ferrara (FE)

Analysis of multimodal EEG, EMG, and kinematic data to model closed-loop human motor control under perturbations using latent dynamics and predictive control approaches.

October 2024 – June 2025

Teaching Experience - High School Computer Science Instructor

IIS Luigi Einaudi - Ferrara (FE)

ISIT Bassi Burgatti - Cento (FE)

As a Computer Science instructor, I taught high school students foundational topics in programming, algorithms, and data structures, fostering their critical thinking and problem-solving skills. I developed tailored lesson plans that incorporated practical exercises, coding labs, and projects.

November 2023 – March 2024

Internship - Project TRAMA

INMM s.r.l. - Ferrara (FE)

TRAMA is a highly specialized real-time security system designed for monitoring the vital signs of users in high-risk environments. The system collects and analyzes real-time data through calibrated sensors, with alerts triggered when preset thresholds are exceeded.

October 2020 – February 2021

Work-based Learning - Web Development Intern

Pasticceria "Schiuma" & "Lounge Bar" - Matera (MT)

Developed an online dessert catalog for Pasticceria "Schiuma" and a digital menu for "Lounge Bar" in Matera, improving the visibility of products and enabling customers to easily browse offerings from their devices.

EDUCATION

- 2024 - 2026 **Master's Degree in AI, Big Data and Data Science** -/110
University of Ferrara - UniFE - Ferrara (FE)
Main technologies:
 - Python for Machine Learning and Deep Learning.
 - Prolog and dialects.
 - Haskell.
- 2021 - 2024 **Bachelor's Degree in Computer Science** 104/110
University of Ferrara - UniFE - Ferrara (FE)
Main technologies:
 - Web developing: React, Laravel, JavaScript, Tailwind, PHP, SQL.
 - Application developing: C, Java, Python, Assembly, MatLab.
 - Utilities and Tools: VsCode, Git, GitHub, Latex.
- 2016 - 2021 **Technical High School Diploma, Computer Science** 100/100
IIS G.B. Pentasuglia - Matera (MT)
Main technologies:
 - Web developing: HTML, CSS, JavaScript, PHP, SQL.
 - Application developing: C, C++, Java, Python.

PERSONAL SKILLS

Mother tongue Italian

Other languages	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	B2	C1	B2	B2	B2

English Speaking Board - ESB Certificate in ESOL International All Models

Levels: A1 and A2: Basic user – B1 and B2: Independent user – C1 and C2: Proficient user
[Common European Framework of Reference for Languages](https://www.certr.org/)

- Communication & Teamwork skills**
- Delivered programming lessons to high school classes of 20+ students, explaining complex concepts (algorithms, data structures) in clear, hands-on ways to boost understanding and engagement.
 - Collaborated in agile teams during internships and university projects (e.g., TRAMA real-time monitoring system), sharing code reviews via GitHub and resolving technical issues through daily stand-ups.
 - Coordinated with cross-functional stakeholders (teachers, developers) to develop lesson plans and deploy features, fostering problem-solving discussions and iterative improvements.
- Technical Skills**
- **Languages:** Python (ML/DL, scripting), Java, C/C++, PHP, JavaScript, SQL, Prolog, Haskell.
 - **Frontend:** React, HTML/CSS, Tailwind CSS, JavaScript.
 - **Backend:** Laravel (PHP), REST APIs, SQL Databases.
 - **Dev Tools:** Git/GitHub, VSCode, LaTeX.
 - **Systems & Networks:** Linux/Windows, IT Hardware/Software Troubleshooting, Networking Basics (Cisco), Cybersecurity Fundamentals.
 - **AI/ML:** Machine Learning, Deep Learning, Data Structures/Algorithms, Knowledge Representation (Prolog).

- Certifications**
- Accredia/EIPASS Standard User (DigComp 2.2 Compliant), September 2024.
 - EIPASS 7 Moduli (ICT Fundamentals, Web Search, Collaboration, IT Security, MS Office Suite), August 2024.
 - Cisco Entrepreneurship (IT Business Skills), April 2021.
 - Cisco IT Essentials (Hardware/Software Troubleshooting), September 2020.
 - Cisco Introduction to Cybersecurity, May 2019.
 - Cisco Networking Academy: Get Connected (Networking Basics), June 2017.
